

INTRODUCING THE NEW TEACHER'S PET

The latest Mitsubishi extreme short throw projectors are all about enhancing your curriculum and daily instruction, both as a teaching tool and a learning aid—all with no bright lights to blind you or shadows to distract your students. Whether placed on a shared cart or mounted on your classroom wall—the EST series will increase, prolong, and retain your student's attention for every lesson that you teach. Available in the XGA XD360U-EST and widescreen WD380U-EST.
